WHERE, WHEN AND WHY?

Normandy, France

Aiming for March 2025

Topic and part of our new
Life Skills Programme

Benefits for the children:

- Explore a different country, culture and language.
- Bring their in class learning to life.
- Develop independence skills during a trip like this.
- Develop social and awareness skills.
- Develop resilience and confidence

2

TRAVEL

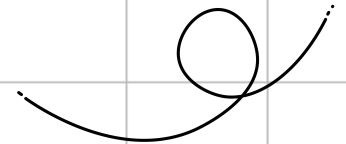

Travel information:

1. Leave Milford Haven Community Primary via coach (company TBC but will be aiming for local company)
2. Travel to Dover and Ferry cross to Calais.
3. Coach from Calais to the accommodation, with a stop off in Honfleur to break up the travel. **Note - Group passport**

The coach remains with us for the duration of the stay and will transport us to the activities and back to the accommodation each time and same route back to school at the end of the stay.

All travel costs are included in the final price.

ACCOMMODATION

Chateau du Baffy

<https://chateaudubaffy.education/virtualtours/chateau/>

The Château du Baffy sleeps a total of 116. There are two accommodations within the grounds: the main historic Château du Baffy building and the adjacent Villa Mathilde which is situated a mere stone's throw away. Both buildings accommodate a full coach capacity, so groups can enjoy sole-occupancy of their building if they fill a coach and each building benefits from its own dining room and bedrooms.

Our school groups feel safe and secure within the private grounds of the Château du Baffy and there is a full Safety Management System in place. The grounds benefit from woodland areas with ancient trees plus a multi-purpose games pitch and lawned gardens. There is also an indoor sports hall with projector and surround sound located adjacent to the chateau within the grounds.

All bedrooms at the Château du Baffy and Villa Mathilde offer en-suite bathrooms and the teachers' bedrooms have tea and coffee making facilities. There is a multi-purpose meeting and cinema room for use which is situated within the Villa Mathilde and a teachers' private lounge with a bar area.

Meals at the chateau are prepared by our renowned in-house chef Thierry and his team, and schools frequently comment on the standard of the food offered being of a consistently high standard compared to alternative school chateaus.

STAFFING

The ratio would be 1:12 pupils as required within law and guidance.

All risk assessments would be complete from school perspective and the company delivering the programme would supply risk assessments in advance to be reviewed.

These would all go to the Local Authority for scrutiny and to be reviewed/authorised.

The likelihood would be that the Year 6 staff would attend, along with a Senior Leader/s. This would be confirmed closer to the time.

There will be a mix of male and female staff attending.
