Headteacher: Mr S Thomas

Dear Parents and Carers,

As we quickly approach the end of the academic year, I want to take this opportunity to thank you for the support you continue to show the school over this past year. It has been another busy and successful year at Milford Haven Community Primary!

Pupil Outcomes:
We continue to see the excellent progress the children are making in our assessments and in the National Testing we carry out for Reading and Maths.

When comparing where our children were when the school entered Special Measures to where they have come to now is outstanding and can only be achieved through a joint approach of school and families working together for every child.

This data below shows the number of children scoring an average reading age or above from their first assessment against their most recent 2026 assessment for each year group across our school.

Reading outcomes:

Year Group	First Baseline Average+ (95+)	2026 Average+ (95+)	Improvement
Year 3	15.38%	77.08%	+61.70%
Year 4	12.50%	80.33%	+67.83%
Year 5	50.00%	85.71%	+35.71%
Year 6	40.54%	71.05%	+30.51%

We are also very proud of the movement of pupils exceeding expectations in our school since their first assessment. In 2023/24 an average of just 3% of pupils scored above age related expectations and in our most recent assessments is now an impressive **27.5%!** Well done all!

Maths Outcomes:

Year Group	First Baseline Average+ (95+)	2026 Average+ (95+)	Improvement
Year 2	13.79% (Year 1 assessment internally)	65.63%	+51.84
Year 3	20.83%	56.25%	+35.42
Year 4	30.00%	70.49%	+40.49
Year 5	25.71%	81.43%	+55.72
Year 6	26.39%	59.46%	+33.07

As you can also see in the above data for Maths, there have also been significant improvements from our baseline.

A child's education is so much more than just Reading and Maths scores though, we have wonderful writing outcomes, pupils developing their digital skills, our sports teams have been successful in competing across the county; we have held residentials locally and internationally that have developed social, independent and emotional skills and created memories to last a lifetime for our children. They continue to impress in their creative development and musical talents, again with performances across the county and in the recent Symphony of Schools concert. Along with so many

more talents and skills being on show and developed through our curriculum each and every day! A well-earned summer break ahead for sure and we certainly intend to go again and further improve the results you see, as well as the opportunities across our curriculum to develop all our children holistically.

Nursery Change – September 2026

We are happy to inform you that from September 2026, our Nursery provision will now be opening on a Friday morning to morning Nursery pupils.

Morning session will run as normal (9.00am – 11.30am), with the children having lunch before collection.

We will be using this as increased transition into full time schooling, with our part time children starting in the afternoon, then moving to mornings to increase their time in school before they start full time Nursery.

In September, we will be conducting home visits and a stay and play session in the first week (Wednesday 2nd – Friday 4th September).

Nursery pupils will then start back officially on **Monday 7th September 2026.**

Attendance

Thank you for supporting us to improve our attendance this year. Although we did see a decrease across the summer term, our attendance percentage as a school did improve from last year, raising from **87.7% to 90.2%,** which is a very positive increase.

Attendance will continue to be on our School Improvement Plan next year, as although it is a great improvement, we still find ourselves below the national average and our pupils who are regularly absent, still remains too high.

NHS – FUN DAY

Moving into next year, we are hoping to create a programme with health professionals to provide a unique partnership for health and education based at our school, with aim of improving access to health services for our children and even our families through various events throughout the year.

On **Wednesday 15th July at 2.30pm on the Prioryville Site playground at the back end of the school,** many of our health services will be at the school with stalls to find out more information about services on offer, offering free health checks to pupils and adults, as well as information on services available in the community.

They have kindly provided inflatable fun and are working on other fun performers for the children that will give you time as parents and carers to move around the stalls and speak with health professionals. This is completely free and open to families across our school. We hope you can attend!

Should parents/carers wish to collect their child to attend this event, children may be collected from their classroom doors from 1.50pm. Members of staff will be available to safely hand children over to parents/carers at this time.

Upcoming dates:

Please see below the dates for returning to school in September.

Date:	**Activity:**
Thursday 16th July	Year 6 Leavers Assembly – Prioryville – 2pm start
Friday 17th July	Year 6 Guard of Honour – Please arrive for 12.50pm – Outside Main Reception on Prioryville
Friday 17th July	Last day of term
Monday 20th July	Local Authority Directed INSET Day

Tuesday 1st September	INSET Day – Staff Training
Wednesday 2nd September	Pupils return to school
Wednesday 2nd September	Nursery Home Visits
Thursday 3rd September	Nursery Home Visits
Friday 4th September	Nursery Stay and Play Session
Monday 7th September	Nursery pupils return to school

We wish you a wonderful summer break and look forward already to welcoming you back in September.

Kind regards,

Stephen Thomas
Headteacher
